Dear Doctor:

Just received the placard of the
game between the Grays and Eagles.
Thanks for the same.

We are playing the Grays on
June 15th in Washington, Pa. and have
to be back to Newark for the 18th. If
you can put on a game in Harrisburg or
thereabouts the 16th, it would break our
jump home, and I am sure we could get
the Phila Stars or some team to meet us.
Let me know right away if there is a
Park available for that date, so I can
get busy lining up a team.

Very truly yours,
